# Erica Calvert

Piano, Voice, Vocal Coaching,  
Music Theory

I was on swim team for twelve seasons and lifeguarded for two summers before choosing a life filled with the performing arts and the sound checks that come along with it.

I am committed to helping students enjoy learning and making music. With over 18 years of experience, I have honed my teaching philosophy and methods to serve the needs of each student individually. With a firm grasp on fundamental skills, my students experience the freedom to express themselves musically and incorporate their creative ideas. Music education is the key to musical expression, academic achievement, and becoming a well-rounded person.

I offer private lessons, partner lessons (2 students) and group lessons (4-6 students). The group dynamic is engaging and fun for students at any level. The class community provides the support system of encouragement and positivity that keeps students motivated to continue taking music lessons. It also allows for ensemble playing experiences that everyone enjoys!

My credentials include: Master of Arts in Teaching, Point Loma Nazarene University (Spring 2018); California Teaching Credential in Music #160126784; Bachelor of Arts in Music, Point Loma Nazarene University (2006); Musikgarten Certification.
